About ECR Party

European Conservatives and Reformists (ECR) Party

We are united by our center-right values, as expressed in the Reykjavik Declaration. The ECR Party is dedicated to individual liberty, national sovereignty, parliamentary democracy, private property, limited government, free trade, family values and the devolution of power.

These values underpin our politics, including our vision for a reformed European Union. Europe stands at a crossroads and the ECR Party's agenda for reform has never been more relevant than it is today. Join our movement, and help us advance a Europe – and a world.
